Anecoop

Who are we? We are producers

We are a **Cooperative**. We are a benchmark in the production and sale of **Mediterranean fruit, citrus fruit and vegetables**.

We are responsible for growing premium quality fruit and vegetables, whilst safeguarding and making **optimum use of natural resources**, which are our way of life.

We are **aware** that we must protect the environment.

Personalised service: **assistance and information** at all times.

We cater for all of your needs

Our **broad-ranging sales and logistics experience** means we can offer you a personalised service you can trust.

We market our products in **all European countries**.

We strive to cater for your needs. We can offer **exclusive crops** thanks to our own varieties developed at our research centres.

Our main aim is **to respond to consumer demands and concerns**.

Extensive production calendar

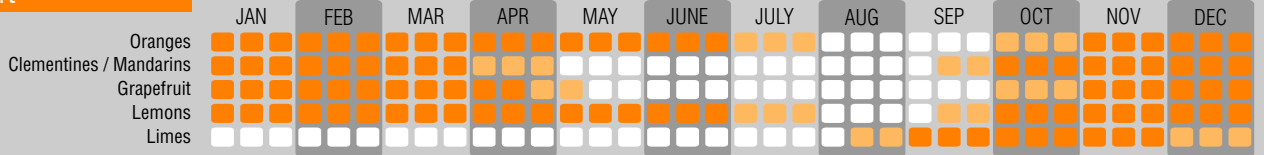

Thanks to the abundance and richness of our production areas throughout Spain, we can offer a **broad range of product references** including citrus fruit, fruit, vegetables, salad stuffs, exotic fruit and juice.

We **monitor and control the entire process**, from planning, crop monitoring, quality control and food safety through to dispatch.

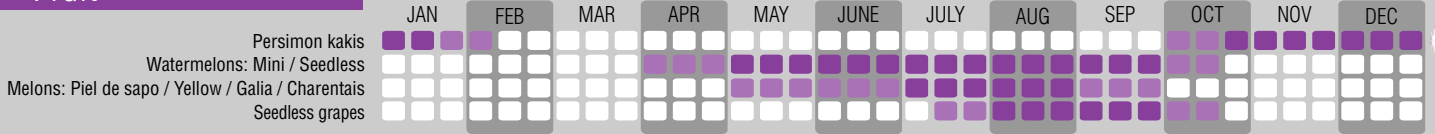

Fresh, seasonal produce.
